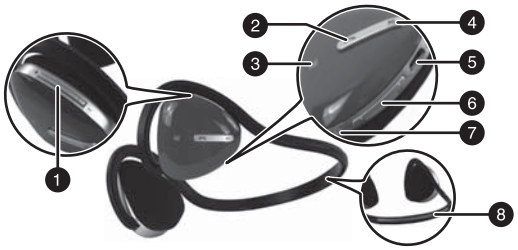
FIND YOUR *USER GUIDE* ONLINE!

We are going green so a copy of your *User Guide* is not provided in the box but is available online.
Go to www.bestbuy.com/modal, then click **Support & Service**. Enter your model number in the box under **Manual**, **Firmware**, **Drivers & Product Information**, then click ▶.

Before using your new product, please read these instructions to prevent any damage.

QUICK SETUP GUIDE

Features



#	Item	Description
1	Volume Up/Down	Press + or – to increase or decrease the volume.
2	(power/talk) button	Press to turn on your stereo headphones. If you receive a phone call, press to talk. Press to turn off your stereo headphones.
3	Logo with indicator LED	Shows current status of the headphones.
4	▶II (play/pause) button	Press to begin playback. During playback, press to pause playback. Press again to resume playback.
5	Micro USB port	Plug the micro USB connector from the AC adapter into this port to charge your headphones.
6	◀◀ Rewind	• Press once to return to the beginning of a track. • Press twice to go to the previous track. • Press and hold to rewind.
	▶▶ Fast-forward	• Press once to skip to the next track. • Press and hold to fast-forward.
7	Microphone	Allows you to talk on the telephone.
8	Reflective strip	An attractive feature and provides extra safety in low-light conditions.

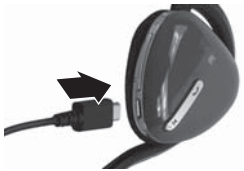
LED indicators

Headset Status	LED Status
Power on	Blue LED flashes
Turning off	Red LED dims and disappears
Low battery	Red LED blinks continuously
Recharging	Red LED stays on
Recharging complete	Blue LED stays on
Pairing mode	Blue and red LEDs flash rapidly
Connection complete	Blue LED blinks every five seconds
Receiving a call	Blue LED flashes rapidly
Talking on the phone	Blue LED brightens and dims repeatedly

Setting up your stereo headphones

Charging your stereo headphones

- Connect the charging cable from the AC adapter to your Bluetooth stereo headphones, then plug the AC adapter into a wall outlet. The red LED stays on while your stereo headphones are charging and turns blue when they are fully charged.



Using your stereo headphones

Turning your stereo headphones on and off

- Press and hold the (power/talk) button for two seconds. The LED blinks blue (when turned on) or red (when turned off), and the voice prompt says "Hello", or "Bye."

Pairing your stereo headphones

Notes:
- Range is 33 feet (10 meters).
- Supports easy pairing.
- Prompts you by saying "Connected," when connected.
- Supports a battery indicator icon on an iOS device.

Pairing with a cell phone or MP3 player

1 With your stereo headphones turned off, press and hold (power/talk) for four seconds.
2 On your phone or MP3 player, select **MD-HPBT01** from the list of discovered devices, then enter the password **0000** (four zeros) (if required) to pair your headphones.
For more information on pairing Bluetooth devices to your cell phone or MP3 player, see the device's documentation.
Note: After the headphones have been successfully paired with the cell phone or MP3 player, the headphones will automatically reconnect to the phone or MP3 player.

Pairing with a computer running Windows

Note: Before you pair the headphones with the computer, make sure that the computer is equipped with Bluetooth. Refer to the computer's documentation or contact the computer manufacturer for more information. If your computer is not Bluetooth compatible, install a Bluetooth USB adapter (dongle).

1. Turn on Bluetooth on the computer. For instructions, see the computer's documentation or contact the computer manufacturer.
2. Double-click the **Bluetooth** icon in the system tray, then click **Add a device** (**Add Wireless Device** using Windows Vista).
3. With the headphones turned off, press and hold (power/talk) for four seconds. The LED blinks blue and red rapidly, then pairing mode is activated.
4. Double-click the **MD-HPBT01** icon on the computer or highlight the icon, then click **Next**.
   Note: If you are unable to locate the **MD-HPBT01** icon, click the **Search Again** button.
5. If required, enter **0000** (four zeros) in the **Bluetooth security code** field, then click **Next**.
6. After the headphones have been paired, click **Close**. If you are using Windows XP, continue with steps 7 through 9.
7. Select one of the Bluetooth hands-free types shown on the *Add a Bluetooth Device Wizard* screen, then click **Next**.
8. Select the services shown on the wizard screen to use with your Bluetooth headphones, then click **Finish**.
9. To connect the device, double-click the **MD-HPBT01 Hands-Free Unit** icon or the **MD-HPBT01 Stereo Audio** icon.
   Note: The headphones should be automatically selected as the default playback device (Windows® 8, Windows® 7, or Windows Vista®) or the default recording and playback device (Windows XP). To make those settings manually, refer to the *User Guide*.

Pairing with a Mac computer

Note: Before you pair the headphones with the computer, make sure that the computer is Bluetooth compatible. Refer to the computer's documentation or contact the computer manufacturer for more information. If your computer is not Bluetooth compatible, install a Bluetooth USB adapter (dongle).

1. Turn on Bluetooth on the computer. For instructions, see the computer's documentation or contact the computer manufacturer.
2. Click the **Bluetooth status** menu.
3. Click **Set up Bluetooth Device**. The *Bluetooth Setup Assistant* opens.
4. Click **Continue**.
5. Select **Headset** as the device type, then click **Continue**.
6. With the headphones turned off, press and hold (power/talk) for four seconds. The LED blinks blue and red rapidly, then pairing mode is activated.
7. Select **MD-HPBT01**, then click **Continue**. The computer gathers information.
8. Click **Continue**.
9. Enter **0000** (four zeros) into the **Passkey** field, then click **Continue**.
10. Click **Quit** to finish.
    Note: To use the headphones, they must be selected as the default input and output device on the computer.
11. Click **System Preferences**, then click **Sound**.
12. Under **Input**, select **MD-HPBT01**, then under **Output**, select **MD-HPBT01**.

For information on using your headphones with Skype, refer to your *User Guide*.
